

REMARKS

Any fees that may be due in connection with filing this paper or with this application during its pendency may be charged to Deposit Account No. 06-1050. If a Petition for Extension of time is required, this paper is to be considered such a Petition.

In the interest of advancing the application to allowance, Claims 66, 67, and 72-80 are cancelled. Thus, upon entry of this Amendment, Claims 1-67 and 70-80 will be canceled. Applicant reserves the right to file continuation and/or divisional applications directed to cancelled or unclaimed subject matter. Claims 68 and 69, which were objected to as being dependent on a rejected base claim, are amended to incorporate the limitations of the base claim (Claim 66) from which they directly or indirectly depended. No new matter is added by this amendment.

Applicant respectfully submits that, in light of the amendments herein, all rejections set forth by the Examiner in the Office Action of February 26, 2008 are rendered moot. None of the claim rejections are applied against the now pending claims of this case, Claims 68 and 69. Accordingly, allowance of this application is respectfully requested.

Respectfully submitted,

Date: May 21, 2008
